## Massacre (Midnight Version) Lyrics in English (Romanized)

She's Been Creepin' On Me Smothering  
Girl I Know A Massacre

See The Face You're Putting On  
Now Enticing Your Soul  
I Know You've Made Up Your Mind

Flashing Lights Keep It Cool  
You've Been Posing Alone  
You're Trying To Get Redefined

You Know How To Deceive  
Got These Tricks Up Your Sleeves  
Leave Me No Room To Breathe  
But I Can't Help I Need It

She's Been Creepin' On Me Smothering  
Got These Demons That She's Summoning  
Girl I Know That You Are A Massacre

All These Thoughts Of You Are Puzzling  
Like A Mystery I'm Discovering  
Girl I Know That You Are A Massacre

Massacre

Gory Eyes Hone Your Claws  
Putting On A Show  
You're A Savage You're Wild

Keeping Up On My Toes  
Enough Of Your Games  
You're Empty Inside

Why Can't You Help Me  
I Need To Get You Off My Mind  
Why Can't I Save Me  
I Know Your Ways  
I Know Your Kind

She's Been Creepin' On Me Smothering  
Got These Demons That She's Summoning  
Girl I Know That You Are A Massacre

All These Thoughts Of You Are Puzzling  
Like A Mystery I'm Discovering  
Girl I Know That You Are A Massacre
