Wild Ride Lyrics in English (Romanized)

Met Him At The Bar
With A Bassline Knock
Said He Liked My Vibe
When I Laughed At His Watch
Said One Drink Max
But We Doubled It Twice
Next Thing You Know
We Outside In The Night

Windows Down
Wanna Race The Light
City Blur Past
When He Cut Through The Side
Said Slow It Down
But I'm Smiling Instead
Adrenaline
All The Way Up To My Head

I'm Walking Late
With A Chip On My Shoulder
Lip Gloss Shining
And My Drink Getting Colder
"where You Going?"
I Said, "maybe Your Place"
Laugh Like A Joke
But He Matching My Pace

Dancing On The Couch
While The Whole Room Spins
Champagne Dripping Down My Sleeve
On My Skin
Then The Sun Comes In
And I'm Fixing My Hair
Damn...
How Did I Get Here?

What A Wild Ride
I'm By Your Side
I'm Going Way Pass By
I Couldn't Even Change My Mind

What A Wild Ride
Thought It'd Just Be
A Kiss Goodbye
Now The Sun's Coming
Through The Lights
And I'm Still Replaying
Last Night

Wild Ride
Wild Wild Ride Wild Ride
Wild Ride

Started With A Stupid
Pick-up Line
Now You're Pulling
On My Waistline
Alive In The Rain
City Lights Go By
Looking In Your Eyes
Got A Spark Like Fire

One Sec Chilling
Now We Outside Running
Two Drinks In
Got The Whole Room Buzzing
Said Take It Easy
But I'm Already Hooked
Next Thing I Know
I'm Riding Shotgun

Street Lights Flashing
As We Hit The Gas Quick
Heartbeat Loud

With The Bass From The Back Kick
Said It's Just For Tonight
But It Turned Into A Story
Now The Sunrise Hitting
Like It's Real For Me

What A Wild Ride I'm Looking
By Your Side
Now The Sun's Coming
Through The Lights
And I'm Still Replaying
Last Night

Wild Ride
Wild Wild Ride Wild Ride
Wild Ride Wild Ride
Wild Wild Ride Wild Ride
Wild Ride
